

OUMC FACILITIES REVIEW FORM - CHILDREN'S MINISTRY - KIDS

| | QUESTION | SUMMARY |
|---|---|--|
| 1 | If we had an unlimited supply of money, what would you like to see our Children's Ministry have? | New games to learn about God. Music lessons for instruments like violin, guitar, and piano. Walking trail. Pool. A new Kid's Building. Fire alarms on every square inch of the walls! |
| 2 | Do you think any changes need to be made to our classrooms, hallway, or church- in order to make your church time better? | |
| 3 | What other thoughts do you have on how we can make our church better? | More activities, more chances for kids to help in the community like Rise Against Hunger. Do fire drills that way you know the fire alarms actually work. Better security for the children church would be great. Parents should walk in and know exactly what their kids are doing, and studying. |
