

OUMC FACILITIES SURVEY 2018 - CHURCH WIDE

Survey Number	Respondent ID	Collector ID	Start Date	End Date	IP Address	On a scale from 1-10, with 1 being worst and 10 being best, how would you rate our facilities? buildings? ministry environments? furnishings?	What one improvement to our facilities could we make that you think would have the most impact on helping us achieve our mission at OUMC?	On a scale from 1 -10 with 1 being worst and 10 being best, how well do you believe our Facilities meet our Worship Service Needs?	On a scale from 1 -10 with 1 being worst and 10 being best, how well do you believe our Facilities meet our Sunday School and Educational Program Needs?	On a scale from 1 -10 with 1 being worst and 10 being best, how well do you believe our Facilities meet our Children's and Youth Ministry Needs?	With our Mission, Vision, Core Values, and Strategic Vision in mind, what improvements, or areas for improvement, do you see that you believe will help us better pursue those goals?	With trends and projections for the area surrounding OUMC being for 8-10% growth in the next 5 years, what facilities related improvements should be made to accommodate that growth?	Relative to other areas of your involvement at OUMC – what would you like to see done with our facilities to make that better for you and to help us pursue our mission of making disciples?	If money were no object, what facilities related improvements would you like to see made to our Facilities at OUMC? Buildings and/or furnishings/equipment.	What other thoughts would you like to share on how we could improve our facilities here at OUMC?

5	6882980636	173575994	5/20/18 11:18	5/20/18 11:22	107.77.237.4	10		10	10	10			If we see increased attendance, expand to meet it	Allow members to rent at reasonable cost church facilities when not otherwise in use, for appropriate uses of course	We are blessed with these nice facilities. Many churches in many areas are struggling and don't have this	
6	6882958597	173575994	5/20/18 9:52	5/20/18 10:21	107.77.241.12	10	The facilities are good, no additions needed.	10	10	10	Maybe add a landscaped courtyard for meditation, reflection, relaxation		I think we are good right now. Maybe add additional service times if it seems too crowded.	I can't think of anything right now	Maybe a youth or family rec hall with pool tables, karaoke machine, stuff like that. A shaded, maybe lit during winter, track or larger playground for older kids, outdoor seating or amphitheater for outdoor sermons or performances, pool	I think I mentioned most of my thoughts in the other questions.
7	6882958003	173575994	5/20/18 9:50	5/20/18 10:19	50.101.73.92	8	To update and reset our current facilities - to "modernize" them. Qualitative vs quantitative improvements.	8	7	7	A more outward facing posture - to orient our efforts on engaging the community around us.		Develop a phased facilities growth plan - qualitative improvements now with an eye to more quantitative improvements in 3-5 years. SS Classes need more room for that.	Improving our Audio Visual capabilities in our Sunday School classes. Create better library, meeting and study areas - perhaps a place where a large class could be given, but with not just seats auditorium style, but work/study space. Perhaps some of both.	A big new state of the art worship center that would put all we do worship wise in one building, a kitchen and community center that is state of the art, and multi-media Sunday School classrooms.	I would like to see a qualitative orientation to our next steps, with an eye to growth in the future. A 1-3-5-10 and 20 year plan.

10	6882756126	173575994	5/19/18 21:20	5/19/18 21:26	98.68.174.249		Additional education space.	9	5	6	Additional education space.	Education space.	Same	Same	
11	6882738675	173575994	5/19/18 20:14	5/19/18 20:22	99.122.24.179			10	6	6		music facilities		more interactive music programs for young people	meeting room larger than current classrooms but smaller than current worship rooms, to hold 60 to 75 people maybe, for community workshops, small worship groups. might open a new concept of ministry
12	6882606294	173575994	5/19/18 13:30	5/19/18 13:36	23.251.76.229		More classrooms with better sound protection from contemporary service	8	7	7	More spaces designed specifically for children and youth	More spaces designed specifically for children and youth		Better and more Sunday school classrooms	
13	6882550665	173575994	5/19/18 11:02	5/19/18 11:16	173.247.2.69		Larger "lobby" area outside of sanctuary with complementing doorway/hallway leading to the rest of the church. After the 930 service, this area is usually a bottleneck of people trying to go different directions.	9	9	9	Year-round children's programs. With the end of the school year comes the end of children's activities on Wednesday nights. I would like to see some type of activities offered on Wednesday evenings, even if it is a larger general class versus the numerous classes that are offered during the school year that are broken down by school grade group		I firmly believe that young families are the success to growing churches. When my children were preschool aged, we had to look to communities outside of Ooltewah in order to find a five day a week preschool program. I believe the OUMC would do the community a huge service by offering a five day a week preschool program	Pointing back to my previous statement about young families with children being the best avenue for growth within the church, I would like to see OUMC have an indoor play structure that could be utilized by the church, a 5 day a week preschool program, and a potential revenue stream as a venue for hosting kids birthday parties. https://m.facebook.com/media/set/?set=a.378003722231785.92403.198477146851111&type=3	A fresh coat of paint would make an immediate improvement on the appearance of the Church. Also, as a parent of young children, I would like to see some better control of the children's hallway, as multiple open hallways make it easier for children to wonder away.

18	6881781257	173575994	5/18/18 10:07	5/18/18 10:17	174.196.128.56	8	Space for music programs	8	8			I guess I am not well enough informed to comment	At this time, and because of my age, all my needs are being met	Unfortunately, money is an issue. Are all areas of the church being used at all times, or are we stuck on a time Between 8 and 12 on Sunday mornings? When does the church sit empty? We still do have a debt from the previous building.	
19	6881738844	173575994	5/18/18 9:29	5/18/18 9:37	68.54.64.254	8		9	8					Sound system in 9:30 service is horrible and we need someone who knows how to make everything work. Every Sunday there seems to be an issue	
20	6881286082	173575994	5/17/18 19:41	5/17/18 19:51	66.85.229.137	9	Improve on the safety during services.	8	7	7	Somehow we need to attract the longer generation. Just after high school and during college.	Better use of our Sunday school rooms.	Come up with ways to involve younger adults.	Improve on the kitchen. Make it more modern and more space.	Add storage space.
21	6880817328	173575994	5/17/18 11:01	5/17/18 11:38	108.174.111.166	8	We need more room for Sunday School class rooms. Right now we have a Sunday School class stuck about every place that you can put one. Some of the classes are out growing the room that they use. I here from the church staff that storage room is at a premium.	9	4	6	We need more educational space (room for Sunday School Classes) to meet. We must focus on feeding the sheep. If the sheep are getting fed, they come back and are involved in the activities that our church is offering.	The Ooltewah community has been growing for years. Yet, right now our attendance is down. We don't need another Sanctuary or Worship Center until we are filling up what we currently have. We gotta focus on feeding the sheep. People are hungry.	I think we have a beautiful sanctuary and a really nice worship center. But,....we are not filling them up. Like I have already mentioned we need more space so that people can study and learn, I also think that we need an emphasis on small groups outside the church campus where people can interact with each other, where people can build relationships with other people that attend our church.	More Sunday School class rooms, more storage.	I actually think our facilities are fine. I think that the hall way from the sanctuary around to the Connection Pointe ties those two buildings together quite nicely. We are currently maxed out because we are currently using about every space available for about everything we can use it for. I haven't mentioned this but our administration building is really nice as well. We don't need another sanctuary or worship center, although some folks that I have spoke with believe this is where this is all headed. Also, there is a growing concern that we are fixing to go back in debt again, when we are not filling up the worship areas that we have. The area is growing,....that is true, our attendance is down,.....feed the sheep.

25	6878162782	173575994	5/15/18 10:09	5/15/18 10:33	184.174.176.145		Perhaps a room - larger than a classroom but smaller than either of our two worship areas - that would accommodate either the Recovery worship or a large class with more room to spread out and use tables for note-taking, etc.	7	7	9	The most glaring I believe was mentioned in #2 - added to that comment - could/should be technology for that room - i.e. a projector, screen, & a "very" large screen TV to allow that room to be truly multi-purpose and to be used more frequently	I don't have the #'s or "stats," but, I believe PARKING would be a concern & again the number & size of classrooms	Again, I believe the greatest need would be a worship area of appropriate size for Recovery, classroom issue(s) mentioned, and an ideal room for meditation and prayer suitable for both individual prayer times as well as small/med. groups for prayer	Pretty much already covered by all previous comments - Summary in priority order: adequate worship area well equipped with technology that doubles as a large classroom area with tables, etc - at least one (preferably two) classroom 50% larger than any existing one well equipped with technology, approp. prayer room as described above, added parking spaces	I believe as much as it has already been said - it cannot be said enough that the driving force of facility improvements is not individual comfort and preference but it IS God's plan for the future of OUMC and the mission He calls us to - i.e. making disciples (discipleship / equipping people to become mature Christians)
26	6877863973	173575994	5/15/18 5:58	5/15/18 6:36	68.169.133.33		A specific room set aside and used only for prayer.	9	7	8	Encourage everyone to open their bibles and read scripture daily. Not only on Sunday during worship, but a intentional time daily to read and absorb God's word.	More classrooms. Ample storage area for small and large items in one location. A stand alone prayer room or chapel. Enlarged facilities for children. Better control of speeding drivers using our entry/exit roads as a shortcut. Video surveillance of our campus. Secure facilities and counseling for short term guests. I.E. Homeless, battered mothers and children, seeking temporary refuge. Possibly incorporate a thrift shop to help fund this project.	Offer one free dinner per month for congregates and their guests to help introduce people to what we have to offer at OUMC.	More classrooms, more storage.	Consider the best way(s) to secure our facilities and protect people during a tragic event. Provide a larger coffee shop, type area for adults and younger people to sit and enjoy each other's company. Not only for Sunday, but whenever events are happening.

42	6871731431	173575994	5/8/18 21:47	5/8/18 23:21	99.122.25.152		<p>I feel an outdoor family recreation area would enhance community and fellowship. It could help with appeal to new families visiting our facility as well as provide a space for families to congregate after service to further fellowship & open the door for spontaneous small group discussions. Most families enjoy having a meal and fellowship following Sunday services. An outdoor recreation area with pavilion, tables, children's play area, & even a community garden could be a gathering place for many to fellowship and bond. Currently we have an outdoor worship area but i have never known of it to be used. I think more could be done with this space to make it inviting as well. Some of my favorite services have been outdoors because I can't help but feel close to Him when surrounded by nature. I think this could be a way to reach outside of our walls and take a step closer to the community as we invite new families to join us.</p>	8	7	6	<p>I would like to see more youth involvement in services. I think that if they participate regularly that they will be more invested in the service itself. I think they could also benefit in more small group opportunities on Sunday mornings. If Sunday morning small groups are established then they could take on service responsibilities that could help keep them accountable to each other and the church. I think it could help attendance, enthusiasm, and spiritual growth with our youth. I would also love to see a youth program established for the recovery ministry. It is an opportunity to minister to children who have been "in the pits" with their struggling parents. I think if we have youth that find a purpose and place in our recovery ministry that it will open the door to more families discovering what recovery is all about. I feel we are really missing an opportunity with our kids by only offering childcare on those evenings. Addiction, grief, & the like are contagious illnesses that effects the whole family, so the kids that come in are in need of recovery too.</p>	<p>As far as actual building expansion, i think a youth center would be most beneficial.</p>	<p>I think we need to hold ourselves accountable environmentally. I feel currently we are a bit gluttonous with some of our resources & we are setting the wrong example. I would like to see improvements to promote recycling (great youth service opportunity), & decrease waste by using eco-friendly options whenever possible. Our Earth was a tremendous gift and I think we could be much better stewards. Ex: air dryers only in bathrooms/no paper towels, compostable drinkware (could have compost for community garden), no straws at all, no plastic cutlery at all. I think that ecological awareness and efforts are critical and should be overseen by a specific person or group so that our efforts can be continuously reevaluated for improvements. When you are thankful you say thankyou, but when you're grateful you do the dishes.... or wash/recycle/compost the dishes:)</p>	<p>Solar power would be awesome. I suppose after an outdoor family garden/recreation area, outdoor worship area, new youth center, & investing in eco-friendly products.... anything else would be gravy. Don't get me wrong, I like gravy, but can't skip the biscuit. So for gravy I say expand the worship center into space that is currently classrooms on either side and add a Sunday school/classroom wing with a coffee house atmosphere. When people feel cozy and at home they stay longer and discuss more. I'll be there either way cause its just gravy for me.</p>	<p>Healthy food on Wednesday nights! Whole foods, not processed, no gmo. Our body is a temple & while I love cake, I would rather be inspired. What would Jesus feed me? Community garden vegetables! YES! I'm not sure if health food would lure them like taco night does, but I know there must be a better way. We should feed our congregation's bodies same as their souls.</p>

68	WRITTEN					9	Continue to keep various equipment orderly, clean and easily accessible. A committee to look over the entire building at least 1-2x/yr.	9	9	9	My observation leads me to think the staff is well-organized & cooperates with various projects as changes take place. The staff seems to be at peace with one another and cooperating with one another.	I believe the entire kitchen area needs revamping since it is used by so many groups. The old dishwasher unused/ bulky needs removal yesterday. A complete re-design would be appropriate with more modern serving than is presently being done.	I don't know this info...& don't need to know details. But I pray that each group that uses the church regularly pays towards up-keep and provides for their own needs while respecting the OUMC building and its leadership. That's very important and keeps a balance in responsibility & leadership.	1. Update kitchen - many groups would benefit. 2. Improve choir needs - music store materials 3. Instrumental storage - able to lock up as needed. Church Holiday materials in one or two locations. 4. I'd like to see stained glass repaired - I hate cracks in windows, pet peeve.	Some complain that the lighting in the winter at night needs to be brighter especially if they are meeting later in the evening. Financially I would continue to support the budget and investment program. It makes sense to have funds quickly available to fix a door, window, a-v equipment, AC, sudden crisis in/around the church as the staff take note of it.
69	WRITTEN					8	Audio-Visual - use more audio visual techniques in traditional service. Upgrade.	8	8	8	Reach a more diverse group by expanding Athletic Facilities for youth / young adults - indoor and outdoor. Draw in a different part of the community.	Better and more use of audio/visual tech	Upgrade visual attractiveness of traditional service facilities.	Expand Athletic Facilities indoor and out to promote an alternative, attract a different demographic group.	
70	Written						A room that would hold 50-75 people, choir, recovery and Bible/Sunday School rooms.				Library in Administration building is underutilized.				Gym is a large area underutilized. Hire a design specialist to re-design gym and other areas. Gym 2 rooms?
71	WRITTEN						kitchen				sign on I-75	Revamp of youth areas
