

OUMC FACILITIES SURVEY 2018 - RECOVERY MINISTRY

	Respondent ID	Collector ID	Start Date	End Date	IP Address	On a scale from 1-10, with 1 being worst and 10 being best, how would you rate our facilities and buildings?	On a scale from 1-10, with 1 being worst and 10 being best, how would you rate our ministry environments and furnishings?	If money were no object, what facilities related improvements would you like to see made to our Facilities at OUMC that are used for Recovery Ministry? Buildings and/or furnishings/equipment.	If you scored our facilities on the lower end of the scale, what specific improvements would you like to see made to them?	With our Recovery @ Ooltewah ministry in mind, what improvements, or areas for improvement, do you see that you believe will help us better serve our community?	With trends and projections for the area surrounding OUMC being for 8-10% growth in the next 5 years, what facilities related improvements should be made to accommodate that growth?	Relative to other areas of your involvement at OUMC – what would you like to see done with our facilities to make that better for you and to help us pursue our mission of making disciples?	What other thoughts would you like to share on how we could improve our facilities here at OUMC?

1	10027084899	210334632	5/19/18 13:37	5/19/18 13:38	23.251.76.229	8	8	A more informal and intimate space for worship					
2	10027082813	210334632	5/19/18 13:00	5/19/18 13:34	66.85.229.137	8	6.4	a smaller space providing more intimacy and less church appeal adaptable with growth	see #3	More PR in the community. Educating the community. How about Inviting groups such as Teen Challenge to participate and grow this ministry on a regular basis. When they were here for the anniversary celebration it brought a very dynamic atmosphere. I like seeing the involvement of our church staff. However, I believe that others involved in church leadership and positions should be encouraged to participate in worship if at all possible. (ours as well as other churches that are involved)	Relating to Recovery we should adapt as it grows. The space now is too large. Also, we need to change up the worship tunes, it seems to be repeat of the same songs from week to week.	The 11:00 seems to have a lot of young families at worship. However, I don't see them engaged in SS small groups. From my observation I believe we need a better coordination or curriculum of SS classes for children, youth and adults at the 9:30 hour. Which would give a balance for families.	Structure and intent to offer solid teaching in small groups with coordination of worship services with a goal of bringing the family together. I believe then we would have a situation where improvement of facilitating classrooms will then be an issue. Right now classrooms don't appear to be bulging at the seams. Lets get there first and then reassess.

3	10024266959	210334632	5/17/18 12:47	5/17/18 14:11	108.174.111.166	8	8	None,.....Our facilities, The CLC, The Worship Center, The classrooms for the break out sessions and the prayer room are all very nice and adequate.	More room for classes, more room for practice and rehearsals, more room storage, more room for people to come together and interact with one another. We don't need a bigger sanctuary or worship center, because currently we are not filling what we have. But if we concentrate on feeding the sheep by providing adequate rooms and space for our programs, eventually we well.	Currently, at least for the meal and for worship service we need bodies (people). Some of the break out sessions from what I understand are meeting while the meal and worship service is going on. When I leave recovery on Thursday night going home, the parking lot is always full, but where are all the people? We need to partner with more churches,....networking!!!!	This question is becoming repetitive. This area, Ooltewah, has been growing by leaps and bounds for years,....why are we???	More class room size, more rooms for programs, a room for the Chancel Choir to rehearse and practice and get dressed.	We just took our debt service from approximately 1.6 million down to 470,000. As I understand things our campus has an appraised value of around 15 million. Wow, that is pretty impressive. Moving forward let's raise the money before we build/do anything. We just showed ourselves that we can come together and rally and reduce our debt. From talking/speaking to other folks at church, nobody that I have spoke is excited about going back into debt, but it seems that most folks are excited about raising the money first, then improving our facilities. We have done it once (reducing our debt.) what makes you think we can't do it again (raising capitol)???
4	10016202635	210334632	5/11/18 16:01	5/11/18 16:41	204.93.123.135	8	8	It would be wonderful to have a area to meet for worship and other events that was more of a chapel size for groups of 50-100 to meet and feel welcome.	Maybe make use of the portable walls of some sort to close off part of the of the worship center to make it a more intimate, less intimidating setting for Recovery worship and smaller events.	If the sound /projection systems were improved in the CLC it might be possible to have the dinner and worship both in the CLC so that those coming in from work would not miss eating to get to worship or not miss worship because they are still eating.	Add some addition rooms for small and medium sized groups. Add a chapel for prayer groups, small weddings.	I like the fact that we open our facilities to other groups in the community for small groups, worship, meetings, etc. I wish that in all of the Sunday School rooms there could be a secured area for them to keep their teaching materials, coffee pot or whatever so that they did not have to bring everything back and forth all of the time.	
5	10014944823	210334632	5/10/18 19:50	5/10/18 19:54	174.196.149.204	6	4	A room dedicated to the service, that is more "welcoming"	See last answer	Same	A dedicated place(s) for recovery children that is age appropriate	Childrens Wing needs to be secured at all times. Much better security measures/doors/alarms etc

6	10014448446	210334632	5/10/18 13:20	5/10/18 13:37	68.53.242.110	7	4.5	Private room that can accommodate 30 or so people with large screen TV and DVD capability with an adjacent room with kitchen facilities away from children.		Possibly changing the name to not sound like alcohol/drug needs. Unfortunately I don't know what that name would be.	More rooms to hold groups in with sinks and refrigerator.	I like to see greenery in the Sanctuary. Authentic looking artificial plants by the podium and alter along with trees scattered around to break up the monotony of the area behind the podium. I was told by a neighbor whom I invited to come to our church that the Worship center was very dark and barny...not inviting.	
7	10013975852	210334632	5/10/18 8:33	5/10/18 8:39	68.54.66.38	7	7.1	Worship area to hold 50-60 people.		We need a better way to communicate our service to the general public.	Chapel, more parking, more SS rooms and more rooms for the Youth.	We need an area to worship with capacity of 50 people. More Parking spaces.	More small groups that focus on daily life, and connectiveness.
8	10010149003	210334632	5/7/18 15:48	5/7/18 16:45	184.174.169.17	7	5	A permanent place for the Recovery resource table. The one we put the books on every Thurs. and have to take down after the message. Better lighting of both the front entrance and the parking lot. During the winter when it gets dark at 6 it is really hard to see who or what is approaching the building. Safety is a big concern of mine at Recovery. The walk way between the awning at the parking lot and the front entrance to the worship center. If we cannot fix the fountain then perhaps we need to replace it with something else along with a covering. A place for volunteers to put their belongings, purses for example. If this ministry grows that should be addressed.	Things are stark and bland. Why not at least have some biblical art work and nicely presented framed scripture verses in the adult classroom hallways. The few decorations in the connection point are uninspiring. Need something a little more colorful and inviting. Now that Robert has the grass in front of the worship center looking wonderful why not put a couple of benches out there. Sturdy ones that would last a while! Create a more inviting environment.	Answered this question earlier.	We need better advertising/signs for Recovery. I still don't think people know we have that opportunity for the community.	Would like to thank the Facilities Committee for their hard work!

It is a big atmosphere as it is but I feel with small group sizes a more family style atmosphere might feel more comfortable. However, I think we are doing a great job with this program.	To stay abreast of Outreach programs and new trends that are proven to help change people's lives.	Stay focused on what we can do to serve and change lives in serving God.
