8	WRITTEN					8	Strongest - exercise. Weakest - technology and room for multiple age groups.	More tech like computer terminals and even lessons online to help youth grow in that area.	Have more area so age groups can be split out in more age ranges to teach toward that age group.	more outdoor facilities to attract new and different groups	Outdoor multi-purpose athletic facility - softball, basketball, frisbee.	
9	WRITTEN					8	weakest - it's too cramped. Strongest - high school room.	We need more space. The middle schoolers and high schoolers like to be spread out both with the little room we have it's hard to do that. We could use better equipment for the gym.	Maybe the stuff we do, or the better equipment and decorations we have could attract more people.	The small groups on Wednesdays could get better furniture in some rooms.	Jacob needs a larger budget! Ice cream machine, Newer gym. Renovate bathrooms in gym.	We NEED Segways! Swimming pool. Draw bridge between buildings.
10	WRITTEN					6	we have newly renovated youth rooms but the middle school and high school has a lot of youth kids and we need more space	We need to update the gym and make it more modern so that everything in the youth wing is updated. 11	WRITTEN					8	Strongest - the gym as a whole and the modernized classrooms. Weakest - the cramped feeling.	We could definitely use more classroom space and larger ministry area.	The middle school room particularly could be bigger which I think would appeal to people and maybe some unique high school outdoor space which would set us apart from others.	I think the small group classrooms and children's wing are good for their size, but expansion and reorganization of high school stuff would be nice.	CONVERT GYM INTO STADIUM and CLEAN IT UP. Nacho bar. Ice cream machine, soda fountain, and cotton candy machine. ROOF ACCESS and a TREE HOUSE, make bathrooms better.	must have segways and better youth budget.

Put a sign on the road that says welcome to OUMC Church and underneath that say we have a youth ministry program.	I think this is the perfect place already.	Have a giant jumbotron TB on the side of the gym wall and watch football on it.	Nothing
15	WRITTEN					8	they do some pretty fun stuff, but not many ppl come not from my school and none of my friends and I hate being lonely.	the rooms are good and fun, no change really needed.	I mean I think its fun	It's fun I like it.	maybe a hover board room or just everyone who comes gets to ride around the church on hover boards	Just think they should get a bunch of hover boards.
